February 1, 2023:

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for the Leslie Public District and our schools. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Scott Powers, Superintendent, for help if you need assistance.

The DISTRICT AER is available for you to review electronically by visiting the following web site <https://www.lesliek12.net/our-district/annual-education-report/> or you may review a copy in the main office at your child's school. Each school will also be communicating their own AER to parents directly.

These reports contain the following information:

## **Student Assessment Data**

- Includes the following three assessments: M-STEP (Michigan Student Test of Educational Progress), MI-Access (Alternate Assessment), and College Board SAT
- Presents assessment information for English language arts and mathematics for grades 3 to 8 and 11, and MI-Access science for grades 4, 7, and 11, compared to state averages for all students as well as subgroups of students.

## **Educator Qualification Data**

- Identifies the number and percentage of inexperienced teachers, principals, and other school leaders
- Reports teachers who are teaching with emergency or provisional credentials
- Includes teachers who are not teaching in the subject or field for which they are certified

## **NAEP Data (National Assessment of Educational Progress)**

- Provides state results of the national assessment in mathematics and reading every other year in grades 4 and 8

## **Civil Rights Data**

- Provides information on school quality, climate and safety

Review the table below listing our schools. For the 2022-23 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label	Key Initiative to Accelerate Achievement
Leslie High School	No Label	Strengthen MTSS Initiates
Ingham Virtual High School	No Label	Strengthen MTSS Initiates
Leslie Middle School	No Label	Strengthen MTSS Initiates
Woodworth Elementary	No Label	Strengthen MTSS Initiates

Leslie Public Schools is committed to striving for the highest possible academic success for each of our students. The staff continually works hard to examine best teaching practices and reevaluate processes in order to assure that students are motivated and challenged. We have many academic and extra-curricular programs that give our students opportunities to be successful. The district uses student achievement and growth data to develop strategies to ensure all students have the best possible opportunities for success.

We are pleased that you have entrusted your children to Leslie Public Schools for their school experience. We look forward to helping your child reach their academic potential.

Sincerely,

Scott Powers  
Superintendent  
Leslie Public Schools
