STUDENT HANDBOOK

The Middle School Student Handbook has been written to help students and their parents/guardians to become aware of and to understand the guidelines, regulations, and rules, which are in place at LMS. Students are encouraged to take the time to read this handbook and to discuss its contents with parents/guardians. Students are responsible for the rules outlined in this handbook regardless as to whether they have read them.

Students have a right to learn and teachers have a right to teach in a safe and orderly environment. It is hoped that the Leslie Middle School Handbook will assist each student in learning how to create this positive atmosphere, which is conducive to learning. Best wishes are extended to all Leslie Middle School students for a great year full of many new skills, memories and experiences.

Expectations

WHAT DO WE EXPECT OF STUDENTS? It is very difficult, if not impossible, to list or state what is "acceptable" behavior, good conduct, proper citizenship characteristics, and the like. However, in an effort to give the student a general idea of what is expected of them, we offer these guidelines:

- Students should attend school regularly.
- Students should be prompt in arriving at their assigned place.
- Students should understand and follow school policies.
- Students should respect the worth, dignity and rights of each individual student or school personnel.
- Students should observe a code of conduct for all citizens by the use of proper language, etiquette, and appearance.

Students should devote all their energies toward realizing their potential. Students should involve themselves in the total school program and avail themselves of all that the school has to offer in the way of curriculum, library services, counseling services, student activities, etc.

In all, students should conduct themselves in a manner worthy of **Leslie Blackhawk pride**.

ACCEPTABLE USE POLICY VIOLATIONS WITH NON-EDUCATIONAL USE

Leslie Public School students have access to computer and other technology. Students are responsible for appropriate use of technology as it relates to educational purposes. Students and parents are expected to know the content of the acceptable use policy, which must be signed before students can access the computer network. Violations of the acceptable use policy or using technology for non-educational purposes can result in suspension or expulsion for the network, as well as Leslie Middle School. Class work missed as a result of such suspension will receive a failing grade.

Refer to the District Acceptable Use Policy on the school web page at www.lesliek12.net

AFTER HOURS

1. All school rules apply whenever a student is in the LMS building and any/all LPS school property.
2. Students are not allowed in the building before or after school unless supervised by an adult.

ANNOUNCEMENTS

Announcements are given over the public-address system each day. Any student or staff member desiring an announcement must have administrative approval. All announcements required a faculty signature or administrative approval. Students will occasionally be given the opportunity to read the announcements on a voluntary basis or as required to meet certain class expectations. To assure that all students receive the information given during announcements, no student will be in the hall between 8:00 am and the end of announcements.

ASSEMBLIES

Seating arrangements are devised for all assemblies. Students are expected to sit in their designated areas and to exhibit proper behavior during the assembly. Attendance at assemblies is a privilege and, if improper behavior is exhibited, students exhibiting such behavior may be excluded from that assembly and further assemblies during the year as well. During assemblies, students are expected to follow our HAWKS Code of behaviors, including:

1. Enter and be seated quickly and quietly
2. Give courteous attention to the presenter(s)
3. Remain seated during the performance (drink and restroom breaks should be taken before or after. They will not be allowed during the presentation).
4. Hand clapping is the only appropriate show of appreciation

AGENDAS (ASSIGNMENT BOOKS)

All middle school students will be issued an agenda this year. Students are to treat this agenda like a textbook. Students will be expected to carry the agenda to every class and write their assignments in the book each period. A fee will be charged for its replacement if it is lost during the year.

We hope that the agenda will fulfill three goals:

- 1) to assist students in organizing what they need to do;
- 2) to assist students in completing their assignments on time;
- 3) to encourage parental assistance.

Many teachers monitor the use of this book with daily and weekly evaluations. We encourage parents to ask to see their child's agenda on a regular basis. This will enable parents to know what their child is doing in school, and when it is due, providing needed support and encouragement.

ATHLETIC ELIGIBILITY REQUIREMENTS

Leslie Middle School students are always encouraged to perform at their best academically as well as act in a responsible and positive manner both in and out of school. To help foster these behaviors, the following criteria will be reviewed weekly.

- I. To be eligible to participate in interscholastic sports, students will meet the following criteria:
 - A. Each student must meet the minimum eligibility guidelines set up by the Michigan High School Athletic Association.
 - B. Each student must have a physical form on file in the school office for that year.
 - C. All student athletes will be declared ineligible if they have two (2) E's. You may not fail more than one (1) class (Academic Center will not be included in eligibility). Grades will be reported to coaches Friday at noon, for the next week's eligibility.
- II. If a student is declared ineligible for the week:
 - A. The student will still be expected to follow all standards set up for athletes in the Leslie Middle School Student Athletic Handbook.
 - B. The student will still be expected to participate in all practices.
 - C. The student will not be allowed to travel with the team to away games.
 - D. The student will be allowed to attend home games but must sit on the bench with the team in appropriate game day attire, not in uniform.
 - E. Students and/or parents are encouraged to request a conference with teachers if they wish further information regarding eligibility.

The student athlete must be present at all games and practices as designated by the coach unless absent from school due to personal illness, doctor's appointment, or coach's permission prior to the absence. The student athlete must be in classroom attendance **all day** in order to dress and participate in an athletic contest or practice that day. A physician's statement, court notice, etc., must be turned into the office in order to participate in practice or athletic contests on the day of an absence.

The athletic director or school administrator may grant a written exception to this rule.

ATTENDANCE POLICY

Definitions: All absences, whether excused or unexcused, will be counted towards the total number of days absent that will be recorded on the student's state required permanent transcript.

- An absence is non-attendance at any scheduled class or credit-related activity.
- An absence due to participation in a school sponsored event related to a class or activity (e.g., athletic competition, field trips), is not considered an absence from school and will not be recorded on the student's transcript.
- It is the student's responsibility to contact each teacher to arrange for making up all work missed. The teacher will set the time allowed for make-up work. Quizzes, tests, examinations missed must also be made up at a time scheduled by the teacher in order for credit to be given. (Generally no longer than two days for each day of absence)

Parents may excuse absences with a telephone call to the school office (517-589-8218) by 8:30 am on the morning of the absence. A voicemail box is available to report student absences. Parents unable to call must send a note with the necessary information. No note is needed provided a parent has phoned.

Students with excused absences must make up for missed work. One day is allowed for each day missed. Parents may request makeup work by contacting the office prior to 9:00 am. Michigan Law requires that all children between the ages of six and eighteen attend school on a regular and consistent basis throughout the school year.

Regular attendance is extremely important. Not only is it the law, but it is obvious that children can not benefit from school unless they are in attendance.

Each child's attendance will be monitored very closely throughout the school year. Parents will receive a notice if a student's absences become excessive and are not the result of illness as verified by a medical doctor. Should the problem continue, we would seek help from the Truancy Officer and/or the Probate Court within Ingham County.

In order to encourage, promote and ensure regular attendance at school, Leslie Middle School has adopted the following attendance policy:

- A. Students are allowed nine (9) unexcused absences per year.
- B. Upon the tenth (10th) absence, a student will be considered truant and may face a referral to the Ingham County Truancy Officer.
- C. Absences are considered unexcused when no notification is received by a parent or guardian. Suspensions are considered unexcused absences.
- D. Excused absences are entered by the LMS Front Office and are excused by notification by a parent or designee to either the front office or the attendance line or by being signed in by a parent or designee in the LMS Front Office. *(All absences must be excused within 24 hours)*
- E. For reward purposes, perfect attendance means no absences and less than (5) tardies.
- F. Tardies received during the school day are unexcused.

Excused absences include the following reasons (work may be made up):

- Personal illness of the student.
- Serious personal or family problems.
- Attendance at funerals, which the student is expected by his/her family to attend.
- Business and professional appointments, which cannot be scheduled outside of school hours.
- Religious instruction or obligations.
- Other reasons provided for extenuating circumstances exist if requested by the student's parents or guardian and approved by the principal or his/her designee.

Unexcused absences are non-attendance for any reason other than those defined in D and E. (Work may not be made up for a grade). These include but are not limited to, skipping/truancy, shopping, trips for personal grooming appointments, oversleeping, walking out of class without permission (and may also be considered insubordination), disruptive behavior resulting in being kicked out of class, missing the bus or leaving the school grounds without approval of the office.

Truancy: A student under the age of eighteen (18) who is absent from school without parental knowledge and/or permission is truant. Truancy, popularly called "skipping" is an unexcused absence. Students who are truant from class or who leave school grounds during the school day without approval of the office will be considered unexcused for the time missed. Breaking school rules resulting in the removal of the student from class or suspension is also considered truancy. Any student under the age of 18 that absents themselves from the educational setting may be referred to truancy court.

- A student that arrives fifteen (15) minutes or less late for a class is considered tardy. If the student arrives more than fifteen (15) minutes late, the student is considered absent from the class and that absence will be recorded.
- Record keeping for attendance begins and ends with each trimester period.

ATTENDANCE REQUIREMENTS FOR SPECIAL EVENTS A student must be in school 90% of all class hours in a trimester up to the date of a special event to attend or participate in that event. Special events may include but are not limited to Fall Homecoming, Winter Homecoming, the prom, award ceremonies and graduation. The student's attendance will start each 12-week period for the purpose of establishing a 90% attendance. Long term illness and special circumstances may be considered by the administration as reasons to reduce the 90% requirement.

BAGS/BACKPACKS

In an effort to ensure the safety of everyone in the building and to promote a clutter-free work environment, students are not allowed to carry their bags to class. Their **bags, coats, jackets, hats** and other personal belongings should be kept in their locker.

BATHROOMS

Students are to use the restroom nearest their grade level hall. Students are to be respectful of others when using the restroom.

BICYCLES

The school does not assume any responsibility for bicycles. Students should lock their bicycles while they are at school.. Students are responsible for providing their own locks. Motorized vehicles are NOT permitted to be driven to school by students. Students must walk bikes in front of school at the start and end of the school day to prevent accidents (bicycles must be walked to/from the Pennsylvania Street corner). Riding bicycles to school is a privilege, not a right. Violation of the rules may result in the loss of riding bicycles to school.

BULLYING

Definition: Bullying is a pattern of abuse over time and involves a student being “picked on.” Bullying includes, but is not limited to, a repeated pattern of physical intimidation or assault; extortion, oral or written threats, teasing, putdowns, name-calling, social media likes, gestures, or actions, cruel rumors, false accusations, and social isolation.

Bullying is prohibited. Leslie High School will not tolerate any bullying on school grounds or at any school activity on or off campus, or in route to or from school.

Staff intervention: Leslie High School staff members who observe or become aware of an act of bullying will take immediate steps to intervene lending appropriate consideration and priority to the safety of the victim and themselves. If a staff member believes that his/her intervention has not resolved the matter, or if the bullying persists, he/she will report the bullying to the school discipline coordinator for further investigation.

Students and parents shall report bullying. Leslie High School students and parents who become aware of an act of bullying should report it to school personnel for further investigation. Any student who retaliates against another for reporting bullying may be subject to consequences.

Investigation procedures: Upon learning about a bullying incident, the administration may contact the parents of both the aggressor and the victim, interview both students, and thoroughly investigate. This investigation may include interviews with students, parents, school staff, and review of school records.

Consequences/intervention: Consequences for students who bully others shall depend on the results of the investigation and may include counseling, a parent conference, detention, suspension and/or expulsion. Depending on the severity of the incident, the administration may also take appropriate steps to ensure student safety. These steps may include implementing a safety plan, separating and supervising the students involved, providing staff support for students as necessary, reporting incidents to law enforcement if appropriate, and developing a supervision plan with parents.

Bullying can also be reported via the State of Michigan Application via text or website of OK2SAY

CAFETERIA

Students will have an opportunity to purchase hot lunch, ala' carte or they may bring a lunch from home and purchase milk. Hot lunch and milk prices will be announced at the beginning of the school year. Monthly lunch menus will be posted on the school website at www.lesliek12.net. During lunch period students should:

10. **Students may use their phones while at lunch recess.**

Students who do not follow these expectations and procedures during lunchtime may lose cafeteria or playground privileges or incur further consequences, up to and including suspension depending upon the severity of the infraction as judged by an administrator.

Student cooperation during the time they are in the cafeteria is very much appreciated. Should it become necessary to correct student behavior for misconduct consequences may include but are not limited to : assigned seat, lunch detention, required parent meeting, in-school suspension, out of school suspension.

CANCELLATION OF SCHOOL

Occasionally, school may be canceled due to inclement weather or other emergencies. The District School Reach System will notify parents of school closings or delays through telephone and email notification. In addition, television channels 6 and 10 provide closing information. School cancellations can also be found on the Leslie Public Schools web page at www.lesliek12.net.

Please **DO NOT** call the school office with questions regarding school closings. Tune in to one of the stations. They have the latest information and school phones will not be tied up for priority communication in such an emergency.

CARE OF SCHOOL PROPERTY

As a student of Leslie Middle School, you are expected to take the very best care of it at all times, discourage anyone from damaging school property even to the extent of reporting this kind of misdemeanor to the principal's office. The school belongs to all students and parents/guardians. Take care of it, improve it in every way possible, and see to it that your associates do likewise.

CELL PHONE & OTHER ELECTRONIC COMMUNICATION DEVICE (ECDs)

Effective April 1, 2024

Student cell phones are expected to be **OFF AND IN LOCKERS** throughout the school day.

The following rules apply and are not all-inclusive. The administration reserves the right to revise, alter or add to these rules at any time new technology or circumstances indicate.

Students may **ONLY** possess cell phones or other personal electronic devices in school, on school property, at after school activities and at school-related functions under the following guidelines:

- The student who possesses a cellular phone or electronic device shall assume responsibility for its care. At no time shall the District be responsible for preventing theft, lost damage or vandalism to cell phones or electronic devices brought onto its property, even in the event the phone is confiscated by the staff or the administration. Students and parents are strongly encouraged to ensure that if students have cell phones and/or electronic devices in their possession, that they should not leave them unsecured and that they are insured against loss or theft.
- The use of cell phones, smart watches, headphones & Air Pods, and any other electronic devices are not permitted in classrooms except to fulfill academic requirements at the expressed and explicit instruction of a teacher. Devices should remain in students' lockers and/or designated classroom areas during instructional time.
- "Using" or usage refers to not only the making and/or receiving of calls, but also using the cell phone or electronic device for any other purpose.
- These devices may be used before or after school. Use of these devices shall not interfere with classroom instruction, school activities, and/or violate acceptable social media policies. If these devices are used inappropriately, they may be confiscated and turned into the main office.

Students are strictly prohibited from posting, sharing or distributing electronically, photos and/or videos on any social media platform during school hours or school related content.
- If a student is ill, they should report directly to the office to make contact with a parent or guardian. Students should not use cell phones to contact parents without contacting the office. Parent text messages are not a reasonable use of a cell phone during instructional time.
- The Athletic Director will work with coaches and sponsors to establish rules for cell phones and/or electronic devices where the student is under the supervision of the coach, within District policy, and enforce consequences involving the use and/or misuse of these devices. A school district employee based on extreme or extenuating

circumstances may grant exemptions. Students participating in extracurricular activities in athletics must abide by the rules involving the use of cell phones or ECDs after school hours or after school bus trips.

- Use of cell phones or electronic devices in an unauthorized manner or in violation of the policy in any way may result in disciplinary action, depending upon the nature of the prohibited activity and/or whether it is a repeat offense for that student. The administration reserves the right to modify the consequences as appropriate.

* Violations may result in disciplinary action including but not limited to: confiscation of the cellular phone or electronic device until returned to the parents, detention, suspension and/or possible recommendation for expulsion.

CLOSED CAMPUS

Every student must remain in school from arrival to dismissal unless granted permission for an exception by an administrator. Students may go outside under supervision of their teachers and/or supervisors for activity and physical education. Outside lunchtime activities are limited to the designated playground area.

COLD WEATHER

Students generally go outside every day for recess during their lunch period, thus, students are expected to be prepared to have and use appropriate clothing for cold weather. Indoor recess is determined based on the following conditions

- + If the temperature outside, together with the wind chill is below ZERO degrees Fahrenheit, all students will remain inside.
- + Other considerations in which indoor recess is allowed under poor weather conditions on the playground and the presence of precipitation or National Weather Alert Warning.

CODE OF CONDUCT

Acts of misconduct in any of the following categories will result in disciplinary, corrective and/or legal action against a student. Police assistance will be called for as needed in serious matters. Many acts listed are violations of state law and county ordinance 8 as well as school district regulations, yet a student may be found guilty of a school rule and not necessarily of a state or county ordinance. These infractions will be enforced as well as those not published but necessary to maintain the order and character of our school.

DRESS CODE

The style and manner in which a student dresses while attending school and school-related functions is largely the responsibility of the student and the student's parents. The School District, however, maintains the right to impose reasonable restrictions on dress and grooming, where the style of dress or grooming is reasonably considered disruptive or detrimental to the School District's mission and/or the health, safety, or welfare of the student or other students with whom the student attends school.

The administration reserves the right to observe new fads and trends in attire and determine where or not these would be a disruption to the educational process or present any safety concerns for the student(s).

Students who are representing Leslie Public Schools at an official function or public event may be required to follow specific dress requirements. Usually, this applies to athletic teams, cheerleaders, band/choir and other such groups.

Access to student grades, assignments and attendance is available to parents/guardians through PowerSchool. Parents/guardians have the ability to create an account that will allow access to their child from a SINGLE LOGIN. Parents/guardians will also be able to create their own Usernames and Passwords. Parents/guardians can access PowerSchool at <http://ps.lesliek12.net> or can click onto the PowerSchool link on the District website at www.lesliek12.net.

PowerSchool Usernames and Passwords for initially creating a PowerSchool account will be provided at the beginning of the school year and following enrollment for new students.

GRADING SYSTEM (COMMON)

We believe that grades are a means of communicating to middle school students and parents the measurement of learning. To do so, any grading system applied must be accurate, middle school appropriate, and allow students ample time to learn from their mistakes and demonstrate improvement.

<u>Grades 5 -8</u> Assessments - 40% Assignments - 40% Participation - 20%	<u>Related Arts/Electives</u> Assessments, Assignments will be based on a points system
<u>Academic Center</u> Credit / No Credit	

Late Work:

All late work may be lowered one grade during the week it is assigned. After one week, it may be accepted for 50% until the end of the trimester. Work must be submitted by the last Monday of the trimester.

Zeros:

Students will receive a “0” when they do not complete an assignment. All completed work that meets due dates and is done appropriately will be scored at least 50%. This includes tests, assessments, exams, daily work and participation.

HAWKS MANAGEMENT OFFICE (HMO) - DISCIPLINE REFERRALS

Leslie Middle School H.A.W.K.S. Management Plan is set up to help students recognize and change their behavior. All staff work together using the same system and steps for all students. This consistency helps create a fair and safe environment for students.

The plan is based on two basic principles:

1. A student's right to learn.
2. A teacher's right to teach.

The goal of the HAWK Management Level System is to provide an atmosphere that allows students to evaluate the behaviors they have chosen, to learn that they are responsible for their choices and to develop skills to make more appropriate choices. Students are sent to the office with a referral by school staff. Referrals are signed by school staff and sent home for a parent/guardian signature, to be returned the next day

HMO referrals put students into levels based on the number of discipline referrals a student accumulates. All referrals are documented each time a student is referred to the HMO. When a student continues to climb the level system, consequences will increase. Consequences will include but are not limited to: restorative practices, detention (lunch, after school, Saturday) and suspension in-school or out-of-school.

HALLWAYS

Students are to walk on the right side of the hall, being respectful of others as they quietly pass between classes. Teachers will allow no more than ONE (1) student out of the classroom at any one time; teachers will monitor hall passes each student receives. **Students should go directly to their declared destination and return in a reasonable manner, avoiding any unnecessary detours or stops.**

HAZING

The District shall not tolerate any hazing of students and prohibits hazing at all times.

1. **Definition.** Hazing means any conduct or method of initiation into any student organization or team, whether on public or private property, which willfully or recklessly endangers the physical or mental health of any student or another person. Such conduct including whipping, beating, branding, forced calisthenics, forced consumption of any food, liquor, beverage, drug or other substance; or any brutal treatment or forced physical activity that is likely to adversely affect the physical health or safety of any student or other person, or which subjects such student or other person to extreme mental stress, including deprivation of sleep or rest or extended isolation.
2. **Staff's responsibilities.** Teachers, administrators, volunteers, contractors and other District employees shall be alert to possible situations, circumstances or events that may constitute hazing. Any such person who receives a report of, observes, or has other knowledge or belief of conduct that may constitute hazing shall inform the school principal immediately. Teachers, coaches, administrators, volunteers, contractors, and other District employees shall not plan, direct, encourage, aid, engage in, permit, condone or tolerate hazing.
3. **Where and when policy applies.** This policy applies to behavior that occurs on or off school property and during and after school hours.
4. **Formal reporting procedure.** Any person who believes he or she has been the victim of hazing or any person with knowledge or belief of conduct that may constitute hazing shall report the alleged acts immediately to the school principal, the school district human rights officer or the superintendent.
5. **Informal reporting.** Students and staff may seek advice on matters related to the hazing policy without having to file a formal complaint. Students who feel they have been subjected to hazing should talk with a principal, teacher, coach or advisor. The District intends to use this informal reporting procedure to try to stop hazing, not to determine intent or blame.
6. **School district investigation.** Upon receipt of a formal complaint or report of hazing, the school shall undertake or authorize an investigation by school district officials or a third party designated by the school district. The investigation will be completed as soon as practicable and a report will be filed with the superintendent within fifteen (15) days of completion of the investigation.
7. **Discipline.** The school district will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other district employee who is found to have violated this policy. Such action may include but is not limited to: warning, suspension, exclusion, expulsion, transfer, remediation, termination or discharge

HEALTH CURRICULUM

In compliance with state and federal law, Leslie Public Schools teaches a comprehensive K-12 health curriculum. This curriculum includes violence prevention as well as the dangers of alcohol, tobacco and drugs. Sex education (middle school and high school) and HIV prevention is also a part of that curriculum, which carries a strong abstinence message. The sex education and HIV curricula were approved by the Board of Education after two public hearings and are taught by trained teachers.

Parents will be notified before these lessons are taught. Parents have the right to preview the materials in the curriculum, as well as observing the class while it is taught. Parents **may opt their child out** of these classes. If you would like more information on this curriculum and opt out procedures, please contact the middle school office.

INFECTIOUS DISEASE

Any child who has an infectious disease should stay home until the communicable stage of the disease has passed. This will help prevent the spread of the disease. Parents should consult their health professional for information regarding the communicable period of any/all contagious diseases.

Last reviewed May 2023

LEGAL CUSTODY

In some cases, legal guardianship of a child changes during the school year. When this occurs, it is the responsibility of the custodial parent to provide the legal documentation. In cases where there is a question of guardianship, appropriate legal documentation must be provided.

LIBRARY

The library will be one of the areas in the building that can be used for research needed to complete assignments. All school rules are in effect in the library and it is expected that a quiet atmosphere will be maintained. Each student must have a pass. Students who are disruptive, or do not appear to be fulfilling any academic purpose will be returned to their classroom. All books, materials and equipment are expected to be properly handled and maintained. Students will be held accountable for damage or loss of library books, materials, computers or equipment.

LEAVING CLASS/SCHOOL PROPERTY

Students who leave or fail to report to class during school will be considered truant. If it is believed that a student has left school property, the following procedure will be followed:

1. Parents will be contacted.
2. Police may be contacted.
3. Disciplinary measures will be assigned in accordance with school policy.

LOCKERS

Lockers are the property of the school district. Students are permitted to use them without charge provided they are not damaged. Students will be held accountable for the condition of their locker, both inside and out, for the entire school year. Homeroom teachers will issue each student their own locker as assigned by the office. Records of locker information will be kept by both the homeroom teacher and the office. No extra locks are allowed and any extra lock found on a locker will be removed by school personnel. Also, students who change lockers without permission, or who do not keep their locker closed and free of debris, may lose their locker privileges. Do not leave money or valuables in your locker, even if it is locked.

Leslie Middle School is not responsible for items that may come up missing from hall or physical education lockers. ***Students need to keep book bags in their lockers during school hours. Students will not be allowed to carry book bags in classrooms or leave them unattended in the hallways.***

Students should keep their locker LOCKED at all times and should never share their locker combination with friends. In middle school, today's friends are not always tomorrow's friends. Avoid problems by not giving out your combination.

LOST AND FOUND

The lost and found area will be located in the cafeteria hallway. Students who have lost items should check the lost and found bins to see if their items have been found. Found items are to be turned over to Office Personnel. After a period of time, unclaimed items will be disposed of. Students will be notified before the disposal occurs.

LUNCH-CHARGE POLICY

Account limits for students are set to a maximum of two (2) school meals. No student will be able to charge after that point. Any student reaching the two (2) meal charge limit will be given a sack lunch (peanut butter sandwich or raisin bran cereal, an apple and milk) will be provided to the student and his/her account will be charged. The sack lunch will continue until the account is paid in full or an arrangement has been made with the Food Service Director. Any student with a negative balance on their account will not be allowed to purchase ala carte items, until the balance has been paid. If the student account is in the negative from the prior year they will not be allowed to charge at all until the account is paid in full. The students' account will follow from building to building. No student will go hungry, but the meal will remain a sack lunch with a \$0.50 charge. Charging of school meals is from the start of school until **May 1st** of the current school year.

MEDICATION FOR STUDENTS

Leslie Schools do not have medical personnel present on a regular basis to administer medication/treatment. ***Careful consideration should be given to the possibility of ordering medication/treatment that is not necessary to administer during school hours.*** Medications will be administered by school personnel in the main office, only after the Leslie Public Schools ***Physician's Authorization to Administer Medication to Student at School form*** has been signed by a physician and a parent. Students are not allowed to take, distribute, give, inhale or otherwise consume any medication or drug, whether prescription or non-prescription, without adhering to the following procedure:

1. A properly completed and signed medication form must accompany all medication.
2. All medication must be in the original container. Prescription medicine must have the original prescription label, which includes the child's name, the name of the drug, the dosage instructions, the doctor's name and the prescription and expiration dates.
3. Asthma inhalers may be self-administered only with expressed written consent of the parent and the physician.

PARENT INVOLVEMENT

The staff of Leslie Middle School believes parent involvement in their child's education is extremely important. We want parents to feel welcome here and involved in their child's learning experience. There are many ways parents can volunteer. Some examples are:

- Read to students
- Listen to students share their writing
- Be read to by students
- Field trips

- Parties
- Bulletin boards
- Make copies
- Cut out items
- Play math games with students
- Organize projects
- Special Events: Picture Day, Olympic Day ...
- Chaperone Events
- Fundraising
- Lunchroom aides

To become a volunteer, parents must fill out and submit a volunteer consent form, along with a copy of their driver's license to the district office. Volunteers must also sign in at the middle school office and wear a visitor's pass while in the building. Volunteers should prearrange their time with the teacher and/or the building principal. They are also expected to abide by district policies, including confidentiality and safety procedures while volunteering at Leslie Middle School.

If parents are interested in volunteering they should fill out the parent volunteer consent form they receive at the beginning of the year, contact their child's teacher, or the middle school office. Together we can make a difference in each child's life.

PERSISTENT DISOBEDIENCE

Students who continue to establish a pattern of misconduct may be placed on persistent disobedience. This status indicates a student has been unable to consistently change behavior to acceptable and appropriate degree. When at this level of discipline, consequences for inappropriate behavior are administered at a more serious level. Office referrals (HMOs) for these individuals will result in automatic suspension for one, three, five, seven or ten days. Students who reach persistent disobedience will be informed of the reasons for placement in this status. Parents will be notified via Email, standard mail or through a parent attending a Student Success meeting. Students may earn removal from this level of discipline by remaining free of misconduct in any area for 45 school days. Parents are encouraged to contact LMS for assistance in addressing the child's needs.

PASSES

No student is to be in the hallway without a pass, which will be contained in the students' assignment book (agenda). The pass must be signed and dated by a teacher or staff member in order to be valid. **Teachers will allow no more than one pass per room at a time.**

Restroom passes will be restricted, as team teachers will schedule periodic breaks throughout the day. A student needing an out-of-class time-out must do so through the Office with a written pass.

PICTURES

A professional photographer will take all students' photographs sometime during October. These photographs are used for the schools' permanent record as well as inclusion in the yearbook. Parents are given an opportunity to purchase various quantities and sizes of these photos for their personal use and records. Usually the photo packages arrive four to six weeks after the photo session. A picture retake day is scheduled some time after the first round pictures arrive.

PLAYGROUND

The playground procedure is as follows:

1. Play all games by the rules.
2. Include everyone who wishes to play.
3. Share equipment.
4. Only play games without physical contact.
5. Play touch football only at lunch – not before school.
6. Leave all objects found on the ground, on the ground (no throwing snowballs, stones ...)
7. Food and drinks are not allowed on the playground.
8. Stay in designated areas.
9. Students must always be supervised.

10. Hard balls and bats are not allowed.
11. Students are to keep their hands to themselves, do not touch, poke or hit others.

PROGRESSIVE DISCIPLINE

LMS Staff intends to provide learning opportunities where students learn from how their behaviors impact not only themselves but those around them. LMS teachers are expected to communicate explicit behaviors to students and hold students accountable with 1-2 warnings and then remove the child from the classroom with an office referral (purple sheet). After an accumulation of warnings and office referrals students will be subject to progressive disciplinary action that may result in, but not be limited to, in school suspension, out of school, after school suspension, and potentially School Board recommendation. An example is provided below:

REPORT CARDS

Each student will receive a periodic report card every twelve (12) weeks. Parents are encouraged to review their child's PowerSchool regularly, review their child's agenda each day, and to communicate with their child's teacher. Teachers are expected to respond in a reasonable amount of time to parent communication, generally within 24 hours of contact Monday through Friday.

ROLLERBLADES, SKATEBOARDS, SCOOTERS

Students are permitted to bring rollerblades, skateboards, scooters to school and store them in their lockers during the school day. Students may not take their rollerblades, skateboards or scooter to class or lunches.

The riding of rollerblades, skateboards, and scooters or wearing shoes with wheels in them on school property are prohibited on school days and during school activities. School property includes all parking lots, walkways, around the buildings.

SALES IN SCHOOL

Students are not permitted to sell any items in school except as a member of an approved school group and only if approved by administration.

SCHOOL DAY, CHECK-IN/CHECK-OUT

The school building will be open at 7:30 am. Students may either sit in the cafeteria or remain on the playground. Breakfast will be served from 7:30 am until 7:50 am. Students may not enter the halls prior to 7:50 am, at which time they must stay in their grade level areas. A warning bell will ring at 7:58 am prompting students to proceed directly to class. All students must be in their 1st hour class promptly at 8:00 am and remain there until after announcements are read.

When a parent removes their child from the building during the school day, they must enter the building and sign their child out from the office. Persons other than parents may not sign a student out without permission from a building administrator. Students are not to wait at the door or outside the building to be picked up.

When a student arrives late or returns to school after an appointment, they must sign in at the office and receive a pass to return to class. The office will be notified of students who enter the classroom tardy to school without a pass via attendance slips or a note to the office. Should a student need to walk to an appointment during the school day, they may do so with parent permission via a phone call or note. The student must sign out at the office upon leaving and sign in upon return. Should a student need to go home because of illness or injury, they must wait in the office until a parent signs them out. Should the office be unable to contact a parent, the student may be returned to the classroom until such contact is made, depending upon the nature of the illness or injury. Should a student be sent home because of discipline problems, the parent must sign them out.

SEARCH AND SEIZURE

To maintain order and discipline in the schools and to protect the safety and welfare of students and school personnel, school authorities may search a student, student lockers, and desks under the circumstances outlined below and may seize any illegal, unauthorized or contraband materials discovered in the search. Student lockers and desks are school property and remain at all times under the control of the Leslie Public School; however, students are expected to assume full responsibility for the items placed in school property because school property is subject to search at any time by school officials. Periodic general inspections of lockers and desks may be conducted by school authorities for any reason, at any time, without notice, without student consent and without a search warrant, including the use of canine search teams.

A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action. A student's person and/or personal effects (e.g., purse, book bag, athletic bag or vehicle) may be searched whenever a school official has reasonable suspicion to believe that the student is in possession of illegal or unauthorized materials. If necessary, a law enforcement official may be asked to assist in a search. If a property conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition and for further court and/or school disciplinary proceedings.

SIGN UP FOR ACTIVITIES

Many of the school activities require a great deal of planning and organization. Part of the learning process also involves learning to deal with deadlines. Therefore, when deadlines for sign-ups or payment for activities are established, that will be a definite time limit. We will not accept student sign-ups after a time limit except under extremely unusual circumstances as determined by administration.

SIGNS AND POSTERS

Signs and posters will be permitted in appropriate designated areas of the building after approval from the principal. Any material handed out by students or displayed on school grounds must be approved by the principal before it may be distributed or displayed to other students.

SOCIAL EVENTS

After School Activities and Trips:

We hope to plan several After School Activities during the year. In keeping with middle school philosophy of "something for everyone", typical activities at these events may include music and dancing, computer gaming, bingo, volleyball, ping-pong, basketball and karaoke. In addition to After School Activities, After School Trips may be scheduled as well, including roller skating, winter sports and individual team activities. A fee is usually charged for activities and sign-up is required for some. Parents are welcome and encouraged to attend the events and we encourage parent participation as chaperones. Students must identify themselves when asked by staff members and address adults with Mr. Miss, Mrs, or appropriate title. Students are expected to carry out requests of staff members including substitute teachers.

All students are to treat each other with respect. Physical contact, inappropriate verbal remarks, inappropriate gestures, or other disrespectful behavior will not be tolerated.

STUDENT DROP OFF BEFORE SCHOOL AND PICK UP AFTER SCHOOL

Students who are dropped off before school should be dropped off in the circle drive in front of the school.

Parents picking up students at the end of the day will pick them up in the parking lot by the playground and exit the parking lot via the north drive that runs behind the middle school. PLEASE DO NOT PARK ALONG THE GRASS BY THE PLAYGROUND. Students who ride the bus home will board their buses in front of the school in the circle drive.

Seventh (7th) and eighth (8th) grade students who ride the bus or walk home will exit the building through the lobby door. Fifth (5th) and Sixth (6th) grade students who ride the bus or walk home will exit the building through the front south east door. ALL STUDENTS BEING PICKED UP AT DISMISSAL WILL EXIT THE CAFETERIA/PLAYGROUND DOORS.

SUBSTITUTE TEACHER (BEHAVIOR FOR)

When a substitute is in a classroom, exemplary student behavior is expected. Students exhibiting rude, disrespectful or generally poor behaviors are infringing upon the rights of other students' right to learn.

In an attempt to deter such poor behavior for substitute teachers the following procedures will be taken:

1. Any student who has his/her name written on a substitute report for rude, disrespectful or otherwise poor behavior may be referred to the office and receive an HMO.
2. Students sent to the office by a substitute will be subject to disciplinary action.

SUSPENSIONS - OUT OF SCHOOL / IN SCHOOL

Out of School suspension is the exclusion of a student from district premises AND school activities for a specified period of time and is administered by the administration. Suspension may vary from one (1) to ten (10) days depending on the severity or frequency of the violation. Suspension is a part of the progressive discipline philosophy. Students suspended from school are also suspended from ALL school related activities and school sponsored activities. Such students are not to appear on ANY Leslie Public School property during that time of suspension without permission from a building administrator. Doing so will be considered trespassing and may result in further disciplinary action and/or police intervention. Students who are suspended from school are responsible for obtaining missing class work upon their return to school. All Out of School Suspension is considered an unexcused absence.

In School Suspensions are used as a short term placement when a child is removed from a classroom setting on an hourly basis. A student may be assigned an In School Suspension (ISS) in the event that an infraction is not related to student safety and arrangements can be made with staff members for appropriate supervision. When a student is assigned to an ISS, cooperation with staff is expected. A student in ISS will be restricted from hall passing and lunch will be eaten in the assigned room. A student will bring enough assignments or reading materials for the duration of the school day. Sleeping or other non-academic behaviors will not be permitted, with an In School Suspension becoming an Out of School Suspension due to non-compliance.

TARDINESS (ARRIVAL TO SCHOOL) – “A LITTLE LATE IS TOO LATE”

Punctuality is an important habit for our students to develop. Being on time is a good start toward success in school as well as in later life work situations. Students are expected to be in their first (1st) hour classrooms at 8:00 am in order to avoid being considered tardy. Students who are tardy at the start of the day should report immediately to the office to sign-in and receive a pass to class. **ALL TARDIES MUST BE EXCUSED WITHIN 24 HOURS AND ONLY 1ST HOUR TARDIES MAY BE EXCUSED BY A PARENT.** These must be documented within 24 hours of the students' late arrival. All tardies will be marked on your teacher's attendance in PowerSchool.

A student who continues to be tardy with no attempt to correct the problem faces additional disciplinary action, which may include suspension or referral to the truant officer.

TARDY POLICY

Students are expected to be on time for all scheduled classes. Students will be considered tardy if not in the classroom at the assigned start time for that class. A student who enters the class after the bell has rung without an excused pass will receive an unexcused tardy. *All tardies must be excused within 24 hours and only 1st hour tardies may be excused by a parent.* Daily automated phone calls will be made to parents notifying them of any tardies their child has incurred. Tardies will be monitored throughout each trimester and discipline will be handled through the LMS Front Office on a weekly basis.

Tardy # (per class period)	Parent Notification	Consequence
1-2	Automated phone notification	WARNING

3-4	Automated phone notification	1 Day Lunch Detention - No HMO
5-7	Automated phone notification LMS Administration notification with HMO	1 Day After School Detention - HMO
8+	Automated phone notification LMS Administration notification with HMO	1 Day In-School Suspension and/or 1 Saturday School (Parent/Student conference may be requested)

TELEPHONE USE

The telephone procedure is as follows:

1. Office phone – use only when ill or injured.
2. Classroom phone – use only with teacher’s permission.
3. Cellular phone - use in the office or when Office phone is busy AND given permission

TEXTBOOKS / TECHNOLOGY DEVICES

Textbooks, student Chromebooks and other materials are issued by the school for student use. Some of these may be used the entire year, while others may be checked out overnight. Students are expected to care for any school materials issued to them and return these materials in reasonable condition. Students will be expected to pay the replacement cost for materials lost or damaged. Lesser charges will be made for returned items which show damage in excess of normal use. Textbooks will be checked in at the end of the year and damage and fines will be assessed.

Should a student lose a book, it will be replaced immediately with a loaner and a fee will be levied. Books that have been paid for by students, but later found and replaced will be refunded.

Students must pay any current fines before attending any all school social event. Outstanding fines will transfer to the student’s record at Leslie High School.

YEARBOOKS

It is our intention to publish a yearbook this year through the school picture company. The yearbook will be made available for purchase and will be distributed in the spring of the year.

UNAUTHORIZED ENTRANCE TO BUILDING

No student should be in the building before or after school unless under adult supervision.

No students are to enter the school building at night or on weekends unless they are under supervision or have permission from the Administration.

VIDEO CAMERAS - LMS BUILDINGS & BUSES

The Board of Education has installed video cameras in the LMS building and buses to monitor student behavior. If a student misbehaves and their actions are recorded on video tape the principal or their designee may use this as evidence of the misbehavior. Since these tapes are considered part of a student’s educational record they can be viewed only in accordance with Federal law.

VISITORS

Children who do not attend Leslie Middle School may not visit our school during regular sessions or All - School social events. Parents are always welcome at Leslie Middle School after signing in at the office upon their arrival.

WALKING TO SCHOOL

Students who walk to school are encouraged to follow good safety rules, including walking on the sidewalk or facing traffic along the shoulder of the road. Students must be off the paved roadway and walk no more than two abreast. Students are expected to respect people's property and not cut through yards. After school walking procedures are as follows:

1. Students who walk to Woodworth to pick up siblings must use the East side of Pennsylvania.
2. No Middle School student is to enter Woodworth. Middle School students must wait outside the main entrance.
3. No bikes may be ridden on Pennsylvania between Baggerly Street and Race Street.
4. Middle School students are required to cooperate with Woodworth staff.

Failure to abide by these rules or failure to cooperate with Woodworth staff will result in a disciplinary level, which may include suspension.

WATER BOTTLE USAGE

Brain research shows the importance of hydration in the learning process. Because of this, students will be allowed to have water bottles in school provided they abide by the following guidelines.

1. Water is the only beverage allowed outside of the cafeteria.
2. Students may not consume energy drinks or other high-caffeine beverages (coffee, soda, etc.) at school
3. Students must take care not to spill water and keep their bottles capped unless they are drinking from them.
4. Students may not share their water bottles with other students.
5. No glass water bottles allowed.
6. Teachers reserve the right to disallow water bottles from their classrooms at any time.
7. Having water bottles in school is a privilege, which may be forfeited by any student who fails to abide by this policy, or otherwise engages or misuses this privilege.

WITHDRAWAL FROM SCHOOL

The procedure for withdrawal from Leslie Middle School is as follows:

1. Parents should furnish the Office with a note authorizing the withdrawal. If possible, the note should include the name and address of the school in which the student will be enrolling.
2. Student records will be sent to the new school upon receipt of a Request for Records.

MODEL NOTIFICATION OF RIGHTS UNDER FERPA FOR ELEMENTARY AND SECONDARY SCHOOLS

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 45 days of the day the School received a request for access. Parents of eligible students should submit to the School principal (or appropriate school official) a written request that identifies the records(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate. Parents or eligible students may ask the School to amend a record that they believe is inaccurate. They should write to the School principal (or appropriate school official), clearly identifying the part of the record they want changed, and specify why it is inaccurate. If the school decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right of consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. Note: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failure by the School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA

are: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.
