## A Note From The Principal

Changes have been made to the morning drop-off in the Loop to assist with the overall congestion. We have a staff member stationed at Door 13 to greet students who are waiting in line. We will also have some additional changes coming soon from the city. There will soon be signs along Pennsyl-

vania in front of the school property that restrict parking on the street during school hours. Turning left out of the Loop area will also not be permitted. All traffic will be expected to turn right during both AM and PM drop-off and pick-up times. As a reminder, we open the school doors at 7:25 AM for students to enter for the day. If we could have you leave a few minutes earlier than normal to bring students to school, that would be an added advantage for the morning drop off, too. **Please note:** There are several parking spaces along Pennsylvania in the Loop area for families to park and escort students to the main door. Parking in the Staff Lot will be monitored, as this is the only area for staff parking to report to work

### ~Counselor's Corner~

This month we learned about Respect. We defined it as "To treat others the way you want to be treated." We do this when we **\*Listen to others. \*Accept others for who they are. \*Take care of your school and community. \*Make a difference.**

Students practiced advocating for themselves by using A Bug and A Wish .

"It bugs me when \_\_\_\_\_. I wish you would \_\_\_\_\_."

The "I-Message" is another strategy that was discussed with the older students.

"I feel \_\_\_\_\_ (Say the feeling -- sad, mad, scared, happy, etc.) when \_\_\_\_\_ (Describe the situation). I would like you to \_\_\_\_\_ (say the solution)."

Encourage your children to practice these strategies when they feel disrespected or hurt.

~Mrs. Allen, School Counselor~

**S.T.A.R. PROMISE:** Every morning the students promise to "Be A S.T.A.R. - **Safe, Trustworthy, and Respectful student, even when no one is watching.**" Ask your child if they keep the Promise.

# Capital Area District Libraries

## CADL Student Success cards are active!

Our school district is partnering with Capital Area District Libraries to make sure every student can access public library resources. That means your student already has a virtual Student Success card, so they can use library computers, check out some physical items, and get unlimited access to both Download & Streaming services and Research & Learn. Check the how-to video online to get started.

Students can use their CADL SSI card to browse and check out up to three items at a time at any CADL branch location. These include books, magazines, books on CD, and read-along books with built-in audio players. Also available - a limited number of dedicated Student Success Hotspots that can be placed on hold. Get started by browsing our online catalog or visit any CADL branch.
